'Learning at its heart'

8th January 2019

Dear Parents/Carers,

Re: Swimming

As your child is due to start swimming with school next week, we would like to inform you of details regarding this.

If your child prefers to wear goggles while they swim, we do need a consent form signed by you, which can be obtained from the school office.

Please could you provide a strong, waterproof bag to carry your child's towel, costume etc. It is preferable for girls to wear costumes rather than bikinis, and also a swimming cap, and for boys to wear trunks rather than shorts. Please also make sure your child has a coat with them.

If your child has a verruca, please make sure they wear verruca socks. These can be purchased from Evesham Leisure Centre or sports shops.

It is useful for us to have some advance information about your child's experience in a swimming pool. Please complete the slip below and return as soon as possible please.

If you have any questions or concerns about swimming please come and see me.

Yours sincerely,

Mr K Riley
