'Learning at its heart'

13th March 2019

Dear Parents/Carers,

Our school's named Family Support Worker, Deb Davies, will be visiting us next week during our parents evening on Wednesday 20th March 2019. She will be available for a drop in session from 3pm until 5pm, if you would like to come and meet her.

As you may know, Worcestershire County Council offers a range of services to schools. We are extremely fortunate to have secured the provision from Early Family Support. This service offers a range of helpful advice, tips and strategies to help best support your child.

The service is invaluable in promoting the power of positive parenting, building confidence and developing resilience in children. For guidance on how the service could support or offer advice for you and your family, please see the attached information sheet.

Please note that the previous date of Tuesday May 7th is now cancelled. If you are unable to attend the new date then please be aware we are hoping to offer another drop session during the summer term.

Yours sincerely,

Mrs Hancock
