

## Bretforton Village School Governing Body Structure

The Governors meet at least three times per year as a **Full Governing Body**. Additionally, there is a Standing Items Committee and a Pupil Impact Committee. Other Committees (e.g. to make appointments, hear complaints or grievances, etc.) will be formed and meet as required. The responsibility to bring these additional committees into existence when required lies with the Chair of Governors.

The committee and meetings structure at the School is designed to serve the following purposes:

- 1) **Standing Items Committee:** ongoing ('standing') monitoring and reporting obligations:
  - a. Budget monitoring
  - b. Monitoring compliance with legislation regarding reporting and publishing information (including, for example, the statutory information on the website)
  - c. Staffing
  - d. Safeguarding
  - e. Deployment, monitoring and reporting on, specific funding streams
  - f. Health and Safety
  - g. Premises
- 2) **Pupil Impact Committee:** School Development (in relation to OFSTED etc. and National and Local monitoring): In particular, the Pupil Impact Plan in all its sections and aspects.
- 3) **Transition Committee:** issues relating to the transition to Academy Status and membership of the new MAT
