

## Newsletter 12

Friday 28th February 2020

At the end of last half term, Hedgehogs class were visited by our local PCSO Jamie Lee, who came to talk to the children about his role in the local area and how the police can help us. The children had a great time learning about his work in the police force and also had the opportunity to sit in his police car! Thank you to PCSO Lee for giving up his time to come in – he was very complimentary about the children's behaviour and the intelligent questions they asked during his time with them.

Also, before the end of term, we had a visit from the Worcestershire Wildlife Trust who talked to the all children about the environment around them in an assembly called The Lost Words. The children really impressed the volunteer who came in with all their knowledge of plants and animals in our surrounding area. At the end of the assembly, we were presented with an oak sapling which we are going to plant somewhere in the village.

Beryl Curtis, branch chair of the National Autism Association has asked us to pass on the following information.

You are invited to come to "A Chance to Chat" with other people who have lived with the experience of Autism. Please see the attached sheet which outlines the locations that have been chosen and 2020's Spring Term dates.

If you have any questions, please see the FAQ's, or alternatively contact me on [worcestershire@nas.org.uk](mailto:worcestershire@nas.org.uk)
