Dear Parent/ Carer

With the ongoing concerns regarding the Coronavirus outbreak, I would like to reassure parents that *Bretforton Village School* is acting in response to very clear government guidance and will continue to do so.

Continuous coverage of the national situation will obviously cause anxiety but the best way to mitigate this is by being well-informed of the facts. Below are several links that you might find helpful and also the Government Action Plan published last week for the most comprehensive nationwide information.
