'Learning at its heart'

Reduction to provision at Bretforton Village School due to Coronavirus

Tuesday 17th March 2020

Dear parent/carer,

Those of you who are following the national news will be aware that the government has revised its advice regarding best practice to reduce and manage the spread of Corona virus. As a response to this, and in line with other schools, we are regretfully announcing that we will be reducing our provision with immediate effect. In practical terms, this means the following will NOT be happening until further notice –

- Brass lessons on Mondays
- Homework club on Mondays
- All Mentorlink sessions
- Open the Book assemblies
- Celebration assemblies which parents are invited to (children will still be given awards)
- Sports coaching and after-school Multi-sports club on a Thursday
- Swimming sessions on a Friday
- The Key Stage 1 SATs meeting next Tuesday

Other activities may be added to the list as times passes.

At present, the PGL residential is still going ahead but PGL are monitoring the national situation daily. After-school childcare club will also still be running until further notice.

Additionally, we would appreciate it if parents did NOT go beyond the gate with their children. If you need to see a teacher, please could you go to the office. We do not want any parents in the main school building. This is only a temporary measure until the current virus situation is resolved. If you have any questions or concerns about these arrangements, please do not hesitate to speak to me but please be assured, the action we are taking is in line with national guidelines and other school's actions- our primary concern is the health and welfare of your children and the steps that we have taken will help to reduce the spread of the virus.

Thank you for your continued support.

Mr K Riley
Head of School
