

Newsletter 19

Friday 17th July 2020

This is just a very brief newsletter to end the term here at Bretforton Village School. If you had told me at the start of this academic year how the following months were going to play out, I would never have believed you. This has been an unprecedented time for not only our school but everyone associated with us. Can I take this opportunity to thank all of the teaching and support staff for the commitment and resilience through a challenging time – they have been, at all times, good-humoured and supportive and without their help, I know that this would have been a far more difficult time. I would also like to mention the support from the Bengeworth Multi-Academy Trust; throughout the entire year, they have been, as ever, friends of Bretforton who have helped us to do our best for the children. On the subject of friends, the parents who are part of the Friends of Bretforton Village School have been invaluable in raising funds for the school to enhance our children's experience – thank you to you all and especially to the hard-working committee. Finally, can I say thank you to the children themselves – this has been an unusual time to be a child but I have been impressed by the resilience and determination shown by both the children who have been in school and those engaging in home learning. Well done to you all.

To those who are returning to us in September, we can't wait to see you all again – we will be in touch about the arrangements for 7th September in due course.

To the Year 5s who are moving on to Blackminster Middle School, we wish you all a successful and happy future and will always hold a special place in our hearts for you here at Bretforton Village School.

To everyone, have a wonderful, restful summer break.

Diary Dates

First day of autumn term for children – Monday 7th September
