

## Newsletter 2

2<sup>nd</sup> October 2020

As a school, we take Safeguarding very seriously and I thought it might be helpful for parents to have an overview of the age-limits for some social networking website, so that you can be as well-informed as possible about how appropriate some websites are. In general terms, there are no sites that are suitable for children under the age of 13 to have accounts on. This includes – **Facebook, Instagram, YouTube, TikTok or Twitter**. If you need further advice or support on internet safety, please use this link - <https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

*The Stratford Herald have been in to take a photograph of our new Reception class starters. Keep an eye out for it in the coming weeks!*

May I say thank you to everyone for your patience at the start and end of the day when dropping off or collecting your children. The current arrangements are likely to stay in place for the foreseeable future and although frustrating, will ensure that contact between adults is kept to a minimum. Can I please ask again that if you are in car, please try to avoid using School Lane during drop-off and pick-up times.

Our Harvest Festival celebration for the children is on **Monday 5<sup>th</sup> October at St Leonard's Church**. Sadly, we are unable to invite parents in for this but we would be very grateful if you were able to donate any food or produce, which will be given to Helping Hands in the Vale to distribute to those who need support at this very difficult time. If you could send a food donation of some sort with your child on Monday, it would be very much appreciated.
