'Learning at its heart'

Bretforton Village School Office

Thursday 5th November 2020

Dear parents,

As you will know, the national lockdown which began today has far reaching implications for the country as a whole as well as for our own school. For the period of the lockdown, we are unable to operate our main school office as normal and would request that all queries, issues or messages be sent to the office email address office@bretforton.worcs.sch.uk until further notice. If messages can be passed to teachers or teaching assistants at the start or end of the day, that would be much appreciated. We are unable to guarantee that the telephone will be answered during the day so email will be the best option. Please accept my apologies for this but it is due to circumstances beyond the control of the school.

We appreciate your support with this.

Yours sincerely,

Kevin Riley
Head of School
