Christmas Production 2020 – Information and Permission Slip

Monday 2nd November 2020

Dear Parents,

As I mentioned in a previous newsletter, we will be unable to perform our usual Christmas Nativity and performance to parents. We have therefore decided that we will put together a virtual performance which we can share to you electronically. Although this can never match the magical atmosphere of a live performance, we hope that this will be a good substitute.

The children will prepare the songs and scenes from the Nativity as we approach Christmas and we will record this. We will then send a link to parents via email so that they can watch it at home. The video will be on the school YouTube channel but not open to the public.

In order for your child to take part in this and to be shown on the video, we need your permission. We will not film any child who we have not received permission for. Please complete the slip below and return it to school.

Those children who we do not have permission for will still be involved in the singing and possibly the readings but will not be shown on screen.

If you have any questions about this, please do not hesitate to contact me.

Warm regards,

Mr K Riley

Head of School

Permission to film and share video of your child for the Christmas production

I give permission for Bretforton Village School to record video of my child for the Christmas 2020 production. I understand that the video will be shared on a link to YouTube and this will only be shared to parents of children at Bretforton Village School.
