Closure of Bretforton Village School

Monday 4th January 2021

Dear Parents/Carers,

As you will be aware, the government has this evening announced a national lockdown which means that we will be closed to the majority of children from tomorrow, Tuesday 5th January until 15th February at the earliest. I am sure that you are as disappointed as I am that we cannot open for your children but the current situation means that this could not be avoided in order to bring the spread of Covid 19 under control.

Therefore, we would ask that you do not bring your child to school tomorrow as planned. If you are a Key Worker, and cannot arrange childcare for tomorrow, please could you email the office using the address above as soon as possible so that we can expect your child. Proof of Key Worker status will be required for this and further information will be given when you contact us.

Teachers will be preparing home learning activities for your children but owing to the short notice that we were given, this will be of a limited nature this week. Activities for the remainder of this week will be sent out tomorrow or Wednesday at the latest. We will be sending out more detailed provision for next week.

Thank you for your patience and understanding at this time – all of the staff at Bretforton Village School will be working hard to ensure that, despite the closure, your child will continue to receive a high quality education in the coming weeks.

I will be in touch again later this week with further details of how we will move forward from this point.

Yours sincerely,

Mr Kevin Riley
Head of School
