

Year 4 spellings list: spring term 2 2021

Each week, learn the words in the word list. Use the spellings games provided to practice them. You can do this in the back of your home learning book if you like. The focus for the first week is the suffix -ly. Please learn the word meanings and practise writing them in sentences, making sure you choose the correct spelling. Can you also find other words with the -ly suffix? How many can you find? List them in the 'Challenge' box! Each test will be on a Friday during lockdown. Please ask an adult to test you at home and record your test in the back of your home learning book.
