'Learning at its heart'

ImpactEd Parent Survey

Tuesday 2nd March 2021

Dear Parents,

As pupils experienced considerable disruption to their regular school experience because of the Covid-19 pandemic, we are keen to understand the impact of this challenging period, and gain a better insight into your experiences of remote learning provided by the school.

To assist this, we would be very grateful if you would take the time to complete a short survey by clicking on the link below. It is hoped that we will use these findings to further improve and strengthen our remote learning offer to our pupils in the future.

We will be working with a non-profit organisation, ImpactEd, to conduct these surveys. They will be helping us to send these out and act on the findings. You will not be identifiable in any of these responses and all processes are strictly GDPR compliant.

If you have any questions about this process, please get in touch directly with Mrs Rachel Seneque rcl8@bengeworth.worcs.sch.uk, Alternatively, you may wish to contact our school partner, Ella Knight, at ImpactEd, ella.knight@impacted.org.uk

All data collected will be deleted within 12 months of the end-date of the final surveys. You can access ImpactEd's privacy policy from their website - www.impacted.org.uk - or use the contact details there if you would like to request any further information about this work.

Your ongoing support is much appreciated,

Kind regards,

Rachel Seneque
