Friday 12th March 2021

It has been wonderful to see all the children back at school after the lockdown – the children have certainly hit the ground running and are eager to resume their learning. Thank you to all the parents who supported our home learning activities in the interim. Hopefully, we will not be put in a position where we have to do this again but, in the event of an outbreak of Covid in school, we will establish home learning as quickly as possible for any children who are unable to come into school. To support us in this, please continue to observe social distancing on the playground when waiting for your child and wear a face covering at all times on school premises unless medically exempt. These precautions will reduce the possibility of the school closing due to a local outbreak. Thank you.

Advance notice that swimming will begin for Year 4 and 5 children on Friday 23rd April. Sadly, due to limits put on us by the Leisure Centre, we are unable to take our usual amount of children swimming and have had to limit it to only the Polar Bear class. If you had already paid for this in the spring term, we will carry the payment forward for summer. If not, a letter will be sent out to you.

Next Friday, 19th March is Comic Relief Day. You should have already received a letter by email explaining what is happening and how you can donate to this very worthwhile cause.

**COMIC
RELIEF**

www.worlddownsyndromeday.org

Sunday 21st March is World Down Syndrome Awareness Day. This obviously isn't a school day, so on Monday 22nd March we would like all children to wear odd socks for the day. There are no donations needed for this event – it is simply to raise awareness of this world event.

Diary Dates

Friday 19th March – Comic Relief Day

Monday 22nd March – World Down Syndrome Day

Thursday 1st April – Last day of term for children

Monday 19th April – First day of summer term

Friday 23rd April – First day of swimming for Year 4 and 5

Friday 23rd April - St George's Day – details to follow
