'Learning at its heart'

Bretforton Village School celebrates 6th Green Flag Success

Wednesday 24th March 2021

Dear Parents/Carers,

As you will know, many of our usual activities and events over the course of the year have been curtailed and limited by the current restrictions caused by the pandemic. However, I am delighted to share with you the news that, despite everything that is happening in the World around us, Bretforton Village School has been awarded its 6th Eco Green Flag Award.

Our Eco-Team, led by Miss Ellis had to put together a record of all the activities that have taken place in our school since the last Green Flag was awarded in 2019. It was clear that they were very impressed with all the work the children had done and the initiatives that had been introduced both in-school and during home learning. Our ongoing work planting the school gardens and developing the habitat for wild creatures has been very successful and within school, our annual challenges were praised as encouraging children to be aware of the natural environment, its resources and how we can preserve and recycle them.

Well done to the Eco-Team for all their work on environmental issues within school, to all the children in school for their enthusiasm in joining in with our challenges, and also to Miss Ellis for being the driving force behind the Eco-Team. I am very proud of you all for what you have achieved.

Yours sincerely,

Mr K Riley
Head of School
