After-school and Breakfast Provision at Bretforton

Dear Parents/Carers,

Thank you to those parents who responded to the electronic questionnaire I sent out a couple of weeks ago about after-school club and a possible breakfast club. I appreciate your honesty in answering the questions I asked, in an attempt to learn more about what parents would like in terms of wraparound care. One thing that is clear is that there are a range of needs for different families owing to different working patterns.

In order to move forward with this, I am intending to take your comments to the Governing Body of the school to see what changes, if any, we are able to make. It is important to stress that the number of parents who may use the service is significant. Staffing costs represent the greatest outlay when setting up this kind of provision and if running a breakfast club draws money away from the majority of pupils, to support a small number, it may not be viable to run.

However, please be assured, extension of our out-of-hours provision is something which I support; I just need to ensure that we can make it work before committing to it.

Warm regards,

Mr Riley
Head of School
