

Dolphin Class Pick and Mix Homework Tasks

Summer term first half 2021

Pick 'n' mix homework Dolphin class Summer 1

There are eight tasks below that you can choose from. Pick one each week and complete it by Friday. You do not have to complete all eight. Parents can help and support as much as they would like to, as some are more difficult than others and some would work better as a family task. In class, we will share what the children have learned at home on a Friday afternoon on a rota basis. If you have completed a piece of writing or art work, please bring it in ready to share with the class. Your first task should be completed by Friday 30th April.

Any questions, please speak to Mrs Darby or Mrs Howard.
