Activities in the next academic year

Dear Parents/Carers,

As you will be aware, over the past twelve months we have not been able to participate in the full range of activities that we would have under normal circumstances. As things begin to return to normality, as a school we are thinking ahead to next year and starting to plan opportunities for the children to be involved in. It would be very helpful to gauge your views as parents/carers and establish which activities you would be comfortable for your child to take part in.

Please could you complete the table below and return it to us **no later than Friday 30th April**, so that we can begin to make plans for next year. Parents of current Year 5 children do not need to complete this.

Many thanks,

Mr Riley
Head of School
