Friday 30th April

I hope everyone had a lovely Easter break. Now that restrictions are starting to ease, we are hoping to increase the amount of activities we are able to do in school. Over the coming weeks, we are hoping to add to the list of dates of events coming up and we are also planning ahead for the new academic year. Thank you to the parents who responded to my letter about events next year – overwhelmingly, there was support for us planning to resume as much as possible.

Monday 10th May to Sunday 16th May is Christian Aid Week, and the focus of their fundraising this year is to provide water to communities overseas which have been affected by climate change and as a result do not have access to clean water. The village are aiming to raise enough money for a village in Kenya to have an ongoing source of clean water. We will be talking to the children about the importance of clean water in the coming week but, as a school, we would like to support the efforts of the village and church community. On Friday 14th May, we will be holding a non-uniform day for children who give a small donation. We are NOT using ParentPay for this so all donations must be in cash on the day. Thank you for your support in this.

Friday 23rd April was St George's Day – sadly we were not able to join in the usual festivities in the village this year but we did decorate our school windows and the children learned all about St George, the dragon and his heroic deeds in school. The children love learning about the customs and traditions of our country.

Diary Dates

Monday 3rd May – Bank Holiday Monday – school closed to children

Friday 14th May - Non-uniform day for Christian Aid – see above

Friday 28th May – End of summer term 1

Tuesday 8th June – First day of summer term 2 (Monday 7th June, school closed to children)
