## Live and Local – Bretforton Storytelling Project

Wednesday 12<sup>th</sup> May 2021

Dear Parents/Carers,

Those of you who live in the village may be aware that there is a project in progress to encourage the local community to share their stories of Bretforton (past and present) so that this can be put into a "video walk" by storyteller Suzanne Tumnus. Some more information about this project can be found here –

<https://thefleeceinn.co.uk/events/live-livingroom-in-bretforton/>

Bretforton Village School has been invited to join in this exciting initiative and over the coming weeks, we will be encouraging the children to share their stories and memories of the village (inside of school and outside). We would love as many children as possible to get involved in this but in order to share their memories with Suzanne, we do need a permission slip signed by parents or carers.

Additionally, if you have any stories of events or folklore of Bretforton, I know that Suzanne would love to hear those too. You can share these by email to the school office and they can be typed, video recordings or audio recordings. You may be the only person who recalls an important event in the village's history and it would be a shame if this information was lost over time. Again, if you want your story to be shared, we need you to give permission for yourself. Please complete another form if necessary.

I hope you are able to support the village in this exciting living history project – if you have any further questions, please do not hesitate to contact me.

Yours sincerely,

Mr K Riley  
Head of School
