

Termly Planning Overview- Dolphin class - Summer 2 2021

Topic – Healthy Eating

<p>Writing This term, the children will write a narrative based on the story 'The Disgusting Sandwich' by Gareth Edwards. The children will learn how to evaluate and edit their own writing. Years 2s will learn to proofread for errors and and year 3s will learn to include accurate use of pronouns in sentences.</p>	<p>Reading Our key text will be 'The Disgusting Sandwich' by Gareth Edwards. Year 2 will be learning how to make inferences on the basis of what is being said and done in their books. Year 3 will be justifying their inferences of characters' feelings, thoughts and motives using evidence in the text.</p>	<p>Maths This term, Year 2s will cover measuring temperature and problem-solving, with all four operations. Year 3s will cover time and geometry (properties of shapes). We will all continue to practise our times tables and have weekly tests to check on our progress.</p>
<p>Science Our topic in Science will be 'Animals including humans'. In this topic the children will learn about the importance of nutrition and will learn that humans and some other animals have skeletons and muscles for movement, protection and support.</p>	<p>RE We will explore the question: Who is a Muslim and what do they believe?</p>	<p>Spelling, punctuation and grammar We will consolidate our understanding of using apostrophes for contractions and possession. We will also continue to learn words from the Year 2 and 3 lists.</p>
<p>Computing In computing lessons, children will be introduced to basic coding skills using Scratch Jnr.</p>	<p>Design Technology In our Food Technology lessons, children will learn how to follow a recipe to make a healthy dish.</p>	<p>PE This half term the children will be developing their running, jumping and throwing skills in our athletics lessons.</p>
<p>Music We will begin to learn how to play the violin.</p>	<p>PSHE and Values We will explore the question: What helps us grow and stay healthy?</p>	<p>Geography Children will learn about different physical landscapes including mountains, rivers, islands, cliffs, forests and beaches.</p>
