

Kingfisher class - Year 2 and 3

Autumn term 1 - overview of learning

Our topic for this term is 'Ancient Greece' and this term we will be working on the following –

We will learn about the history of Ancient Greece, including: the Athenians and Spartans; the Ancient Greek Olympic Games; the Greek gods and goddesses.

We will identify the key features of a Greek myth.

We will read a Greek myth and explore the plot and main characters.

We will learn about the place value of 2 and 3-digit numbers.

We will learn methods to add and subtract efficiently.

We will learn about skeletons and muscles in humans and other animals.

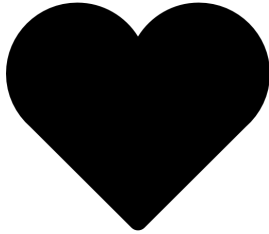

We will learn about significant events in people's lives.

We will learn how to keep ourselves safe online.

We will plan to make our own moving monsters for our Greek myths.

We will learn the rules for a variety of invasion games.

We will learn strategies to help us to manage our emotions.

We will understand the need for school/class rules.

We will develop positive learning attitudes.

We will learn to identify how we are feeling.

We will explore what makes a good friend.

We will consider whether we would like to live in Ancient Athens or Sparta and why.

We will consider how it might have felt to be a child growing up in Athens or Sparta and compare this to growing up today.

We will explore how exercise makes us feel and why it is good for minds as well as our bodies.

Head

We will explore our new classroom so that we can independently find resources to help us in our learning.

We will use role play to explore a Greek myth in more depth.

We will write our own Greek myth using the features we have identified.

We will develop methods to explore place value using a range of resources such as Base 10 and place value charts.

We will solve addition and subtraction problems practically, using our place value resources.

We will explore a range of ways of making moving parts using paper and card.

We will design and make a moving monster for a Greek myth.

We will learn to play a string instrument.

We will play a variety of invasion games.
