

## Duckling class -Year R and 1

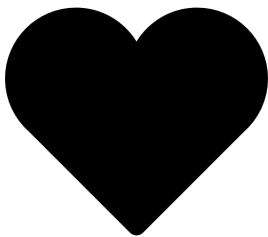

### Autumn term 1 - overview of learning

Our topic for this term is 'Here We Are'

This term we will be working on the following –

We will learn what a fact file looks like.  
We will read and understand a range of non-fiction texts.  
We will learn the about place value to 10 (Y1) 5 (YR).  
We will learn about geometry and capacity.  
We will learn about the seasons.  
We will learn about skeletons of humans and animals.  
We will learn our own addresses and postcodes.  
We will begin to learn who a Christian is.  
We will begin to learn about internet safety.  
We will learn about primary colours.  
We will consider what resources are appropriate for a modelling task.  
We will learn about rhythmic patterns.  
We will learn about team work during sports lesson.

We will learn to follow school routines with confidence.  
We will understand the need for school/class rules.  
We will share and be kind to our new friends.  
We will develop positive learning attitudes.  
We will begin to recognise that we are all different.  
We will share our unique qualities and why we are all special.  
We will understand the choices we have to keep ourselves safe online.

We will write our own fact files using the features we have learned.  
We will develop methods to explore place value using a range of objects such as counters and toys.  
We will solve capacity problems practically and use shape to create pictures.  
We will explore the seasons during Forest School.  
We will label a range of mammal skeletons.  
We will create a picture of our home and label it with our address.  
We will create art work to support our learning of who Christians are.  
We will explore primary colours and begin to combine these to create secondary colours.  
We will construct a model.  
We will use our hands to clap and play rhythmic patterns.  
We will play team games.
