## Mallards' class visit to Bengeworth Academy for Mental Health Awareness training

5<sup>th</sup> October 2021

Dear Mallards Parents/Carers,

The children in Mallards class have been invited a Mental Health Awareness training session at Bengeworth Academy on Monday 18<sup>th</sup> October. This is the first part of a set of training that some children will be offered in order to develop them as Mental Health Champions within our school.

As I am sure you will be aware, the mental health of children across the country is a high priority since the national lockdowns and the height of the pandemic. This initial training is developed to enable children to cope with challenging situations and understand their own (and other people's) feelings.

This training is free for all children in Year 4 and 5 and we are covering the cost of transport to and from Bengeworth Academy so there is absolutely no cost to parents. We do, however, need your permission to attend this training. Please complete the slip below and return it to school as soon as possible to enable us to take your child. Without this slip, your child will not be permitted to attend. As the children will not be back in school until approximately 12.30pm, they will need to have a packed lunch on that day – please do not book a hot dinner. If you have already booked a hot meal for that day, Mrs Eckersley will cancel this and your ParentPay account will be credited.

If you have any questions about this, please do not hesitate to contact me.

Yours sincerely,

Mr Riley

Head of School
