## Reading Volunteers in School

Friday 3<sup>rd</sup> December 2021

Dear Parents/Carers,

Here at Bretforton Village School, we take the teaching of reading very seriously and aim to develop your child's reading as much as we can during their time with us.

For some children, this will involve developing their phonics ability to decode the words that they read, for other, older children, it is more important to develop their comprehension skills, so that they can read fluently, understanding what they have read.

To support the children in school, we are hoping to recruit a team of parent volunteers who can support children with their reading in school. This would be done at the start of the day at drop-off time to make it as convenient as possible for parents. As we want the volunteers to be as effective as possible in supporting the school in raising standards in reading, we will offer a short training session to help parents understand exactly what they need to do in sessions.

If you would be interested in joining our volunteers, please complete the slip below. There is no obligation to be a volunteer – at this stage we would offer the training and then work out who was willing and able to support children.

If you have any questions about this, please do not hesitate to contact me.

Warm regards

Katie Darby  
English Lead and Year 2/3 Class Teacher
